

PRAYZVIBES

**Street-born indie folk.
Songs with room to
breathe.**

Independent songwriter, producer and live artist from Franconian Switzerland in Bavaria.

Voice. Black acoustic guitar. Foot percussion.

Songs in English, French and German.

Self-written, self-performed, independently produced.

PRAYZVIBES began in a basement with a guitar and grew into a studio beneath the rafters. Nature, travel and human encounters shape his music; the live setting keeps it intimate and close to the room.
