ARTIST STORY

PRAYZVIBES is an independent singer-songwriter from Franconian Switzerland in Bavaria. A self-taught path made the acoustic guitar home; songs first shaped in a beautiful studio beneath the rafters moved into streets and real encounters. Voice, black guitar and rhythm underfoot remain at the centre.

SOUND & LIVE

Organic indie folk · intimate vocals · acoustic songwriting · atmospheric production. Live as a flexible solo act with vocals, acoustic guitar and foot percussion; set length by arrangement.

SELECTED PRESS

"Delivered with warmth and authenticity,
it feels conversational rather than
performative."
